Little Boy Blue,

The soft woolly sheep are knee

(BY MRS. HARRIET A. CHEEVER.)

"Hulloo" cried Perry, "what are you doing here?"

Johnny Webb looked in surprise, but did not say anything. He was the son of a gentleman, and some instinct held back any rude words he might have tall on his own grounds.

But from the first day of Castro's enering the public school, Freddie Nyelland and his week and the first day of Castro's enering the public school, Freddie Nyellands him.

son of a Spuniard here!"
Gastro grinned, a kind of an anxious
grin it was, but ho didn't stir.
"Are you goin' to clear out!" screamed

Freddle.

But Gastro still grinned, and shook his
curly head. "Me not go yet." he said.

Freddle Nye's flerce temper—which
often got him into trouble at homemade him forget it was not his lawn, not his party, and not at all his affair, but much more quickly than it can be writ-ton, off he darted in Gastro's direction Of course the others followed. And then such a race as began. In and our of trim shrubbery, before and behind trees round and round raced the little Spanish boy, the others after him in full cry. He douged them in an astonishing manner, yet never ran in the direction of the gate. Plainly Gastro did not in-tend to leave the grounds until he was

Pretty soon it began to look as if he Pretty soon it began to look as if he was running for some particular spot. After a hot, exciting chase, the agile hoy sprang up the plazza steps, rushed around to the rear steps, flew, cap in hand, toward the garden, passed the play-ground with the swiftness of a cat. sped like a shadow past the table, and nearly fell with the length of his strides as at last he stood, eyes flashing, his cap twirling high above his head, and a wide, fearless smile on his dark little face—directly under the flag!

"You no hurt me now!" he panied, but his voice ringing loud with confidence.
"You no hurt me now! I get under our flag!"

stopped in sheer wonder when the little fellow they were chasing suddenly stop-ped and awang his cap in sign of victo-Mr. Webb also was looking on in as-

Mr. Webb also was looking out in action ishment, as one forlorn child came tearing along, pursued by Johnny's entire party. He, too, saw the Spanish child's face as it lighted up with a smile that was all gladness with not a trace of fear. trace of fear.
"Boys, what does this all mean?" he asked.—Exchange.

DO YOU JUMP LAST?

This Is "A Joke"-What Do You Think

The class was told to write an essay on honesty. This was Jimmy Green's essay

o hand at close figures. Moving, opening, adjusting new locks, repainting, lettering, done with dispatch and in the best manner.

Please tell me what this is going to am."

Aunt Krie est silently counting, though her lips curied with amisement. Jane sighed, but made another patient effort. "Will you please tell me what this is going to are?"

Aunt Kate counted on, perhaps by this time actuated by a wicked, desire to know what would come next.

The little girl gathered her energies for one last and great effort, and said:

"Aunt Kate, what am that going to are?"—Erchange.

### EMILY'S QUESTIONS ANSWERED.

"S, E. B." the Girl Who Did It and Did It Beautifully. Oak Tree, Va., July 12, 1808. Dear Times.—The following are the nestions which I wish to offer for the

Name five most populous cities m Spain, and tell where situated.
2. Give reasons why you think this war, with Spain is right and Christian-

like.

2. Give list and sketch of all the engagements so far in this war. Very truly yours, W. EMILY SCHENCK.

1. Madrid. This city is in the cen-tral part of Spain and is on the Tagus 2. Barcelona. It is off the northeast-era coast of Spain on the Mediterranean

sea.

3. Valencia. This city is on the Medit-teranean sea off the castern coust of Spain.

4. Seville (a). This city is in the southeastern part of Spain and is on the Guadalquiver river.

5. Maiaga. This city is off the south-

Mediterranean sea.
Give reasons why you think this war with Spain is right and Christian-like.
This war with Spain is right because that country was treating tuba in a brutal manner and America was like the

good Samaritan to go to ber nasistance.
Give list and sketch of the engagements so far in this war.

I. Battle at Mamila on May ist. In
this naval battle Dewey completely demolished the Spanish fleet. Spain's tors
was heavy. The Americans did not lose
a man. a man.
2. Battle off Cardenas in which the

Americans won. They lost five men. The first one killed was Ensign Worth Bagley, of North Carolina.

2. Fight off San Juan. Two Americans were killed and several wounded.

4. Fight off Clenfuegos Harbor. One American killed and seven wounded. In this fight the Americans cut the cable opposition. Havang with Santiago.

this fight the Americans cut the cable connecting Havana with Santiago.

5. Engagements between insurgents and Spaniards at Manila.

6. Fight between the Spaniards and first American forces that landed on Cuban soit. Americans lost about six men, but held ground valiantly.

7. Battle outside of Santiago. This was a battle on land. Americans lost one officer and twelve men. These soldiers were all Rough Riders. Spanish loss not known.

diers were all Rough Riders. Spanish lost not known.

S. Battle outside of Santiago. Americans won after losing a large number of men. Spanish loss not known, but was certainly greater than ours.

9. Naval battle outside of Santiago between Schley and Cervers. The latter made a dash to get out of the harbor but his fleet was completely destroyed by the Americans. The latter lost one man. Spain lost nearly a thousand men and many persons were taken. Cervers surrendered and he and his men are now surrendered and he and his men are now
